- Execute a variety of carpentry duties, including installation of trim, doors, cabinets, and structural framing.
- Install, tape, and prepare drywall for painting.
- Apply wall and trim painting, including spray painting of doors, window trim, and shelves.
- Complete small to medium tiling projects.
- Install various types of flooring, including LVP, engineered hardwood, and prefinished hardwood.
- Assist with basic plumbing tasks, such as replacing taps.
- Perform basic electrical tasks, including light fixture installation.
- Maintain strict adherence to health and safety policies, ensuring safe work practices at all times.
- Conduct oneself professionally and respectfully on all worksites.
- Arrive on time and demonstrate a solutions-focused, proactive work ethic.

Requirements:

- High school diploma or equivalent.
- 3–5 years of experience in construction.
- Ability to regularly lift and/or move up to 12 kg, frequently lift and/or move up to 23 kg, and occasionally lift and/or move up to 45 kg.
- Valid Class 5 driver's license and reliable vehicle (truck preferred).
- Own hand tools and personal protective equipment (PPE).
- Safety certifications or tickets are an asset.

Benefits:

- Comprehensive dental coverage
- Extended health care benefits
- Paid time off

Language:

- English (required)
